THE REPORT welcomes manuscripts of OHIO material for proposed publication. All manuscripts should be sent to:

Editor, THE REPORT, 4649 Yarmouth Lane, Youngstown, OH 44512

The manuscript should be typed on standard-sized paper and have the author's name on each page; the pages should be numbered. A cover letter, giving permission of the author to publish the material in THE REPORT, should accompany the manuscript.

When sending photocopies of original old manuscripts, such as handwritten Bible records, please send a typed transcript for us to work from; it is usually much clearer on the original in your possession than on a photocopy.

The types of records requested for publication include Bible records, Ohio county court records (marriages, deed abstracts, naturalizations, will abstracts or other), Ohio cemetery inscriptions (not alphabetized), "How-To" articles (the use of special collections, holdings of a particular repository, etc.), abstracts from Ohio newspapers, brief family genealogies with Ohio connections (fully documented) and other material of an unusual but useful nature. The Editor makes the final decision on material to be published. Following publication, all original material is placed in the Ohio Genealogical Society Library in Mansfield. Every effort is made to present authentic material, but the Ohio Genealogical Society cannot be responsible for the accuracy or the publishing rights of the material furnished by contributors. All material is published with the permission of the contributor.

THE OHIO GENEALOGICAL SOCIETY is a non-profit, federally tax-exempt, State-Chartered organization. Individuals, libraries or societies may apply for membership. Annual dues are $16.00 for individuals and $20.00 for joint members at the same address, for the calendar year. All members receive the quarterly journal, THE REPORT, and the monthly NEWSLETTER with membership.

MAILING: All issues are mailed directly from Mansfield, and any problems you may experience with delivery must be directed to the Ohio Genealogical Society in Mansfield, not to the Editor.

PUBLIC RECORDS ARE THE PEOPLE'S RECORDS

Elizabeth Smith*

The Athens Co. Chapter OGS is gathering data about the accessibility of public records in Ohio. If you have had difficulty gaining access, have been compelled to purchase a certified, rather than a noncertified copy, please write:

Elizabeth Smith, 41640 Carsey Rd., Albany OH 45710

The law in Ohio is very clear. "The rule in Ohio is that public records are the people's records, and that the officials in whose custody they happen to be are merely trustees for the people" (Akron Beacon Journal vs Andrews).

All records a governmental unit is required to keep are public records except medical records, records pertaining to adoption, probation and parole proceedings, trial preparation records, and confidential law investigatory records. Birth and death records are specifically held not to be medical records. According to the provisions of Ohio Revised Code 149.43, "...all public records shall be promptly prepared and made available for inspection to any member of the general public at all reasonable times during regular business hours. Upon request, a person responsible for public records shall make copies available at cost, within a reasonable time. In order to facilitate broader access to public records, governmental units shall maintain public records in such a manner that they can be made available for inspection..."

According to Ohio Revised Code 149.99, "Any person aggrieved by a violation of section 149.43 may bring a civil action to compel compliance, and may recover a forfeiture of one thousand dollars and reasonable attorneys fees for each violation."

EDITOR'S COMMENTS

Some examples of violations of the Ohio law are:

1) a county health department will not make copies of any birth or death records as they have determined them to be medical records.

2) a Probate Court will only allow lawyers to see records stored in the attic

3) a Probate Court will not make copies of any records, citing lack of staff

4) a Probate Court tells the public that records were burned, when they are actually available in the attic.

5) a Probate Judge will not allow copies to be made of an 1810 case of insanity.

Problems also exist because adoption and mental records are openly available in OLD Probate Court records, prior to their being "closed" in the mid-1900's. Since these types of actions were NOT PRIVATE at the time of their creation, does the present Ohio law have the right to retroactively close old records which also contain public records ?? Wouldn't it be much more logical to secure only those records listed in the statute from the time when they were determined to be private, rather than to allow these "servants of the people" to close records which were OPEN at the time of their creation?

The present law requires that an aggrieved individual must sue the court or agency for the violation, at his own expense --and IF he wins the suit, his "reasonable" legal fees will be reimbursed. The suit MUST be filed in the county where the offense occurred by an attorney in that county. It seems rather obvious that attorneys are reluctant to file suit against a court with which they must regularly do business. One attorney who was consulted stated that the courts will probably keep delaying the case, driving legal expenses beyond the limits of most individuals, and finally forcing the individual to drop the suit. THIS PORTION OF THE LAW IS NOT WORKING. The previous statutes allowed for complaints to be made to the AUDITOR OF STATE, who then forced compliance. This is a far better way of making the law work. It should NOT be up to an individual to force a governmental agency to comply: it should be the responsiblity of a STATE agency.

It is VITAL that we take action to see that Ohio's open records law works. We are in immediate danger of having our probate records closed because they happen to contain some material which some public servants have determined to be sensitive.It is up to us as individuals to make our concerns known to our legislators, and to protect the people's records for the use of the people.

PLEASE, if you have had occasion to be put off, lied to, or overcharged for certified copies, contact Ms. Smith at the above address, and give complete details of your problem.

AND, contact your legislators about taking action to change those portions of this law which are not working.

IF WE DON'T DO IT, WHO WILL???

ROBERT LUCAS FAMILY BIBLE

Alice Richardson Sloane*

The Family Bible of Robert Lucas, Territorial Governor of Ohio and Iowa, was recently presented to the National Society of the Colonial Dames in the State of Iowa by Mrs. Edward W. Lucas of Iowa City, Iowa, to be placed in Plum Grove, the home of Governor Lucas in Iowa City. Mrs. Lucas stipulated that the Bible should be available to family members and scholars upon request. To this end, the records are presented below. A photocopy of the original is on file at the OGS Library. Collins'-Stereotype Edition of The New Testament, New York, Printed and Sold by Collins & Co., 1816

THE GOVERNORS OF OHIO (Columbus: Ohio Historical Society, 1969) states: "Robert Lucas, 1832-1836, Ohio's twelfth governor, was born at Shepherdstown, VA on April 1, 1781. His mother was the former SUSANNAH BARNES, whose brother Joseph Barnes experimented with steamboats many years before John Fitch and Robert Fulton. His father, WILLIAM LUCAS, though a descendant of ROBERT LUCAS, an English Quaker who came to America in 1679, enlisted in the American Revolution and, in 1781, when the future governor was only a few months old, volunteered for service against the Indians on the frontier." It continues, "Returning home after Hull's surrender, he found his wife very ill and in October she died, leaving a daughter, then about a year and a half old." "In 1816 during his second term in the senate, Lucas married Miss Friendly Ashley Sumner and at about that time moved to Piketon in newly organized Pike County. He built one of the finest house in southern Ohio, "Friendly Grove" in honor of his wife, which still stands 2 miles east of Piketon."

ASHTABULA COUNTY, OHIO: 1860 MORTALITY SCHEDULE

James L. Murphy*

The following information is transcribed from microfilm of the original mortality schedules housed in the Archives-Library Division of the Ohio Historical Society: name of every person who died during the year ending 1st June 1860; age; sex; color; married or widowed; place of birth; month of death; occupation; cause of death; number of days ill. When the surname was not listed, it has been assumed to be the same as that of the previous entry.

The enumerators for Ashtabula County did not make any distinction for Cherry Valley, Dorset, Sheffield or Wayne. Only one enumerator made any remarks. Of Conneaut Borough, Jacob S. Flagler stated: "Nothing remarkable has occur(r)ed during the year 1860. The past year has been generally healthy, perhaps more so than years in general."

These abbreviations have been used to indicate county and township:

SECOND OHIO CONVENTION, 1850

Sandra Ramsey*

Four pages from an unidentified book, probably a history of Ohio, were found at a flea market, and purchased by the submitter, because the information was too good to pass up! The list turns out to be the members and officers of the Second Ohio Convention which met to draft a new constitution because of dissatisfaction with the present constitution. In 1849, the voters favored a new constitutional convention by a vote of 3 to 1. "The Legislature, in February 1850, called for the election of delegates in April to meet in convention in May [1850]." (A HISTORY OF OHIO, by Eugene Roseboom & Francis P. Weisenburger, Columbus: Ohio Historical Society, 1973, p163-4).

HARRISON COUNTY STUDENTS, 1863-1864

Margaret Wilson*

These names are from MOOREFIELD SCHOOL RECORD IN THE CIVIL WAR, by Rev.Edward E. Wright, in which it is stated: "Among the old school records kept by my father, Nathan Wright, is a list of the Moorefield public school for 21 Dec 1863 - 18 Mar 1864. The reason for the short term was due to the scare brought on the the John Morgan Raid, a portion of whose army passed dangerously near to Moorefield. I later met Mrs.C.B.Capps of Glen Ridge NJ who was Ora Mills on this list,and who remembered everyone on the list."

115TH OHIO VOLUNTEER INFANTRY: COLUMBIANA, PORTAGE & STARK COUNTIES

Carol Willsey Bell, C.G.*

The OFFICICAL ROSTER OF THE SOLDIERS OF THE STATE OF OHIO IN THE WAR OF THE REBELLION, 1861-1866 was published by authority of the General Assembly, Cincinnati, Ohio Valley Press, 1888, in 12 volumes. An index to this work was compiled by the WPA, and typed in several volumes. One copy of the index is available at the Ohio Historical Society Library; it may also be examined on microfilm through the LDS Branch Libraries.

Each of the twelve volumes is arranged by regiments, then by companies, in rough alphabetical order. The lists appear in ROSTER Vol.8, pages 146-178. For the purposes of this article, all the companies have been alphabetized. In the back of each volume, a section titled "Roll of Honor of Ohio Soldiers", arranged by Regiments, gives details on the men who died in service: Company, Rank, date of death, place of burial, and remarks. Those who died are indicated by * in the following list.

The 115th Regiment, Ohio Volunteer Infantry, for three years' service, was organized in the Counties of Portage, Stark and Columbiana, in August and September, 1862, to serve three years. It was ordered to Cincinnati, and on the 9th of October, was divided--five companies left at Cincinnati, where they acted as provost guard, and five companies sent to Columbus to perform guard duty. In October 1862, the Battalion sent to Columbus was ordered to Maysville, KY, and in December, to Covington, where it performed provost duty until October 1863. It was then ordered to report at Chattanooga, Tenn., and from there sent to Murfreesboro, where a part of the Regiment was mounted and sent out against Rebel Guerrillas. In June 1864, that part of the Regiment not mounted was stationed on the line of the Nashville and Chattanooga Railroad, in block-houses, to prevent the Rebels from destroying it. While engaged in this service, the Regiment had an engagement with Wheeler's forces at Lavergne, Tenn., August 31 and September 1, 1864. In the early part of December 1864, nearly 200 members of the Regiment, who were stationed in block-houses, were captured, and after being paroled were placed on the ill-fated Steamer "Sultana" which exploded on the Mississippi River near Memphis, Tenn., April 27, 1865. The Regiment was engaged in the battle of the Cedars, near Murfreesboro, Tenn., Dec 5-7, 1864. The detachment stationed at Cincinnati in 1862-63 was engaged in guarding prisoners and forwarding convalescent soldiers to their respective Regiments. In July 1863, it was called out for 5 or 6 days in pursuit of General Morgan, then on his raid through Ohio. In October it was sent to the front, and was assigned to the Fourth Division, Twentieth Army Corps. The Regiment was mustered out of service June 22, 1865, in accordance with orders from the War Department.

For further study on the history of this regiment, see THE WAR OF THE REBELLION: A COMPILATION OF THE OFFICIAL RECORDS OF THE UNION & CONFEDERATE ARMIES, published under the direction of the Secretary of War, Washington, Government Printing Office, 1880-1901, Vols. 1,2,3.

NIMROD & MARY (BANFORD) HOLLAND BIBLE

Betty Flegal Cruickshank*

Only the family record pages, one picture plate, and the first New Testament page still exist from the original Bible which was approximately 12 x 10 x 4. With these pages was a card with the name Achsah A. Holland, hand wirtten, presented by Zanesville Business College, F.M.Choguill Principal, H.B.Parsons, Assistant. A date of 1879 is included in some printed material on the reverse side of the card. In 1966 these items were passed to the compiler by her aunt Dora McCormick Flegal who was a Banford/Holland descendant.- Brackets added by compiler. All of the entries are in the same hand and appear to have been written at the same time. For more on this family see also Floretta B.Davis McCormick Bible record submitted in 1985 by Betty Flegal Cruickshank. This family lived in Highland Tp., Muskingum Co. Ohio. Both Banford & Holland families first appear there in the 1840 census.

Certificate: This certifies that the rite of Holy Matrimony was celebrated between NIMROD HOLLAND of OHIO and MARY A. BANFORD of Penn. on 24 June 1830 at (blank) by Rev.William Knox. Witness: John Robison, Simkin Brown.

NIMROD HOLLAND	27 Mar 1848
ACHSAH S. HOLLAND	9 Jly 1840

[The following obituary was found in the Bible belonging to Dora McCormick Flegal's grandmother, Elizabeth S. Holland. No date on the clipping. Nancy & John Banford are buried at Bethel Methodist Cemetery near Norwich, Muskingum Co., OH.]

Died, Nov 14, 1856, Nancy, wife of John Banford, aged 83 years and 7 months. Mother B. was born in Sussex Co., Del. on 14 Apr 1779. Her parents died when she was but a child; she was, therefore, cast upon the cold charity of a pitiless world, and as is often the case, was raised without any religious education. She was united in marriage to John Banford Oct.14, 1800; after which they removed to Pennsylvania, and after a residence of 9 years, removed to Harrison Co., Ohio where she was converted to God in her 42nd year, and soon after united with the ME Church on St.Clairsville circuit--the Rev.Wm.Know preacher in charge. In the spring of 1836 she removed to Muskingum county where she again united by certificate with the Methodist society near Norwich, at Honnold's Church, where she lived a consistent member and regular attendant on the means of grace until the infirmations of age deprived her of these privileges. Her death was sudden. On the morning of the day on which she died she was employed in the duties of her household, in her usual way. After making preparations for dinner for self and aged companion, she seated herself by the fire, and in less than five minutes, without a sigh or groan, or the moving of a muscle, she passed over Jordan to the promised land. In consequence of her sudden death, we were deprived of her dying testimony; but we thank God that she left us a living one, for we know that for 41 years she lived in the enjoyment of religion, serving God. We therefore hesitate not to say her end was peace. She has left a large circle of acquaintances, an aged companion, now in his 94th year, an only child (a widow), six grandchildren, and one great-grandchild. May they follow the Saviour as she did and meet her in heaven! The last tribute of an only child to an affectionate mother. (signed) MARY ANN HOLLAND.

ERIE CO., OHIO: CHOLERA EPIDEMIC

Diane Gagel*

An interesting chapter in A STANDARD HISTORY OF ERIE CO., OHIO, by Hewson L. Peeke, 1916 (p181-195) covers the three cholera years during which hundreds of persons perished. There were epidemics in 1849, 1852 and 1854. In a communication printed in the Register on 12 July 1884, the writer states: "There were 50 people put in the trench in three days, the trench filled up with dirt, a stone wall built around the outside and three feet of extra earth placed on top. The trench has never been opened since the dead were placed in it. The big grave or trench was dug Sunday morning about July 28th, 1849. Mr.F.T.Barney hired a lot of railroad men at one dollar an hour to dig it. Before the work was commenced on the trench, there were some twelve coffins piled up at our then small graveyard. As soon as part of the trench was dug the coffins were placed in and covered up. Some four hundred died in a month."

The history goes on to list the deaths which were published in the Sandusky Clarion, in 1849, 1852 & 1854. The three lists have been combined here, with the year of death following the name. The 1849 list also included a separate list of colored who died in that year, and are identified here as [C].

Van Harlingen & Sylvan B.Morris 1859; Ezra Carpenter 1863; Frank Hart & LaFrance Coryell 1875. James Parks Gilchrist, Judge Smith & Mr. Morris were Trustees in 1875.

Rev.Simeon Brown was tried for heresy and expelled. A number of members went with him and formed the Lebanon Congregational Church in 1857. They built a church east of the village town hall, and when it was destroyed by fire in 1874, most of the members returned to the Presbyterian fold. The Directory noted that 34 were admitted in 1874, noting they came from the Congregational Church.

The members were listed alphabetically by surname; those previously mentioned are <u>not</u> in the following list:

PIONEER OHIO NEWSPAPERS
1793-1810
Genealogical and Historical Abstracts
by Karen Mauer Green

These abstracts of some of the earliest newspapers in Ohio include over 46,000 references to the early settlers of Ohio and the Northwest Territory. The entries are especially strong in the Cincinnati and Chillicothe areas, but include news of residents from all the Ohio settlements. There are many entries from the following counties: Ross, Hamilton, Adams, Belmont, Butler, Champaign, Clermont, Franklin, Gallia, Highland, Jefferson, Montgomery, Muskingum, Scioto, Warren and Washington. The bulk of the information concerns ordinary people such as farmers, merchants and artisans, but prominent Ohioans are also well represented.

The book contains a wealth of information on these pioneers in the form of marriages, obituaries, elections, court records, probate records, early advertisements, heirs, apprentices, militia, land disputes, occupations, former residences, estate settlements, divorce, local events and disputes, military expeditions and much, much more. Each abstract contains enough information to explain the context of the advertisement or article. A complete index of persons, place-names and subjects is included in this 384 page, hardcover book.

The price is $26.00 (plus $1.50 shipping and handling). Texas residents add 5% sales tax.
